

The image shows a technical drawing of a profile canopy. It consists of two main vertical sections, one on the left and one on the right, separated by a central cutout. Each vertical section has a sloped top edge that meets a horizontal line at the top. The entire drawing is enclosed within a red rectangular border. A vertical line runs down the center, indicating the cutout. The text 'cut for profile canopy to glue at cen' is written vertically along this central line.
